ANNUAL GENERAL SHAREHOLDERS' MEETING

MAY 3, 2023

Report by the Board of Directors on item 3 of the Meeting Agenda.

**3. APPOINTMENT OF TWO MEMBERS OF THE BOARD OF DIRECTORS
PURSUANT TO ART. 2386 OF THE ITALIAN CIVIL CODE**

Messrs. Shareholders,

pursuant to Article 2386 of the Italian Civil Code, you are called to resolve on the appointment of two members of the Board of Directors to replace two Directors who resigned during their mandate.

It should be noted that the current Board of Directors was appointed by the Shareholders' Meeting on April 30, 2021, for a three-year mandate, until the date of the Shareholders' Meeting called to approve the financial statements as of December 31, 2023. The aforementioned Shareholders' Meeting also set the number of Board members at nine.

As disclosed on August 19, 2022, on that day Pier Francesco Ragni, a non-executive and non-independent member of the Board and a member of Saipem's Sustainability, Scenarios and Governance Committee, resigned with effect from September 1, 2022 or before, i.e. from the date in which the Board of Directors of Saipem S.p.A. appointed a new member of the Board to replace him, pursuant to art. 2386 of the Italian civil Code.

Pier Francesco Ragni had been appointed on the Board by the Shareholders' Meeting on April 30, 2021 from the list submitted jointly by Eni S.p.A. and CDP Industria S.p.A. (now CDP Equity S.p.A.). and voted by the majority of Shareholders.

On August 31, 2022, the Board of Directors, took note of his resignation, and, having obtained the opinion of the Compensation and Nomination Committee and with the

approval of the Board of Statutory Auditors, appointed as Director in his place Alessandro Puliti, pursuant to Article 2386, first paragraph of the Italian Civil Code; Mr Puliti already held the position of General Manager of the Company. He is not an independent Director. During the same Board meeting of August 31, 2022, Francesco Caio tendered his resignation, effective immediately, from his positions as member of the Board of Directors and General Manager, thus relinquishing all powers.

Francesco Caio had been appointed Board Director by the Shareholders' Meeting on April 30, 2021, from the list jointly submitted by Eni S.p.A. and CDP Industria S.p.A. (now CDP Equity S.p.A.) and voted by the majority of Shareholders.

On August 31, 2022, the Board of Directors appointed Alessandro Puliti as Chief Executive Officer (who retained the position of General Manager), granting him all the powers previously held by Francesco Caio.

As a result of the above, it has been necessary to restore full membership of the Board of Directors, taking the number of Board Directors to nine, as set by the Shareholders' Meeting of April 30, 2021.

The Company's Board of Directors met on October 26, 2022, having obtained the opinion of the Compensation and Nomination Committee and with the approval of the Board of Statutory Auditors, appointed by co-optation Davide Manunta as non-executive and non-independent Director, pursuant to Article 2386, first paragraph, of the Italian Civil Code. Mr. Manunta was also appointed as member of the Sustainability, Scenarios and Governance Committee. The Shareholder, CDP Industria S.p.A. (now CDP Equity S.p.A.), sent the Company a letter on September 30, 2022, and for information to the Shareholder ENI S.p.A, inviting the Saipem Board of Directors to evaluate independently the candidacy of Davide Manunta (the then Head of Energy & Construction at CDP S.p.A. and CDP Equity S.p.A. and Head of Finance, Planning & Control at CDP Reti S.p.A.),

pursuant to the existing shareholders' agreement.

Davide Manunta does not meet the independence requirements.

Pursuant to Article 2386 of the Italian Civil Code, the office of the Directors thus co-opted shall expire on the date of this Shareholders' Meeting, which is called to appoint two new Board Directors, for them to remain in office for the duration of the term of the current Board of Directors and therefore until the date of the Shareholders' Meeting called to approve the Financial Statements as of December 31, 2023.

Article 19 of the Articles of Association provides that the voting list procedure only applies when the entire Board of Directors is renewed; in this case, the new Directors shall be appointed by the Shareholders' Meeting with the majorities required by law.

In consideration of the foregoing, the Board of Directors, at the proposal of the Compensation and Nomination Committee, shall propose that the Shareholders' Meeting confirm the previously co-opted Directors Alessandro Puliti and Davide Manunta as Directors of the Company, their term of office expiring with that of the current members of the Board of Directors, i.e. at the Shareholders' Meeting called to approve the Financial Statements for the financial year 2023; they shall receive the same annual remuneration for the office of Board Directors as set by the Shareholders' Meeting on April 30, 2021, equal to €60,000, in addition to the reimbursement of expenses incurred in connection with the office.

To this end, attached hereto (under Encl. 1 and Encl. 2) are: (i) the curricula vitae of the candidates Alessandro Puliti and Davide Manunta and (ii) the declarations in which they state that they accept the candidature and potential appointment by the Shareholders' Meeting and certify, under their own responsibility, that they possess the requirements for the office as set by law and the Articles of Association; they also state that they do not find themselves in a position of ineligibility and/or incompatibility pursuant to the applicable

provisions of law and the Articles of Association, as already declared and ascertained at the time of co-optation; they provide certification the no causes of ineligibility exist - including disqualification from the office of Director in a Member State of the European Union, pursuant to art. 2383 of the Italian Civil Code - and no causes of incompatibility exist; they state they meet the integrity requirements, and whether or not they possess the independence requirements provided for by the combined provisions of Articles 147-ter, paragraph 4, and 148, paragraph 3, of Legislative Decree 58/98, and Article 7 of the Corporate Governance Code.

This documentation is published on the Company's website at www.saipem.com - Section "*Shareholders' Meeting - Ordinary Shareholders' Meeting 2023*".

Without prejudice to the foregoing, the other Shareholders with voting rights may submit additional proposals pursuant to Article 126-bis, paragraph 1, of Legislative Decree 58/98 in compliance with the terms indicated in the notice of Shareholders' Meeting and, in any case, the applicable provisions of law, regulations and Articles of Association.

In this regard, it should be noted that, concerning the appointment of Directors, the provisions of law and the Articles of Association concerning the requirements of integrity, professionalism, independence, gender representation, incompatibility and ineligibility of Directors shall apply.

ANNUAL GENERAL SHAREHOLDERS' MEETING

MAY 3, 2023

Report by the Board of Directors on item 4 of the Meeting Agenda.

4. APPOINTMENT OF THE BOARD OF STATUTORY AUDITORS.

4.1 APPOINTMENT OF THE MEMBERS OF THE BOARD OF STATUTORY AUDITORS.

4.2 APPOINTMENT OF THE CHAIRMAN OF THE BOARD OF STATUTORY AUDITORS.

4.3 ESTABLISHING THE REMUNERATION OF THE CHAIRMAN OF THE BOARD OF STATUTORY AUDITORS AND THAT OF THE STATUTORY AUDITORS.

Messrs. Shareholders,

the mandate of the current Board of Statutory Auditors (granted by the Shareholders' meeting of April 29, 2020) will expire at the Annual General Shareholders' Meeting called to approve the Financial Statements at December 31, 2022.

Pursuant to art. 27 of the Articles of Association, the Board of Statutory Auditors comprises three statutory and two alternate auditors.

The current Board of Statutory Auditors comprises: Giovanni Fiori (Chairman), Giulia De Martino (Statutory Auditor), Norberto Rosini (Statutory Auditor), Maria Francesca Talamonti (Alternate Auditor) e Francesca Michela Maurelli (Alternate Auditor).

The Statutory Auditors Giulia De Martino and Norberto Rosini and the Alternate Auditor Francesca Talamonti were drawn from the majority list submitted jointly by Eni S.p.A. and CDP Industria S.p.A. (now CDP Equity S.p.A.).

The Chairman Giovanni Fiori and the Alternate Auditor Francesca Michela Maurelli were drawn from the minority list submitted by institutional investors which claimed to hold

jointly 1.07188% of the share capital (further information is available on the Company's website at www.saipem.com - Section "*Shareholders' Meeting – Single call 2020*").

1. Appointment process

The Board of Statutory Auditors is appointed by the Shareholders' Meeting from voting lists presented by the Shareholders, on which candidates are allocated a progressive number. The number of candidates must not exceed the number of members to be appointed. One statutory auditor and one alternate auditor are selected from the list which receives the minority of votes. The Chairman of the Board of Statutory Auditors is selected among the Statutory Auditors from the list put forward by the minority Shareholders.

The procedures for the appointment of Board Directors from voting lists (please refer to Article 19 of the Articles of Association) also apply for the presentation, filing and publication of the lists for the appointment of the Board of Statutory Auditors, as well as the provisions of Consob Regulation No. 11971 of May 14, 1999, et seq. ("**Issuers' Regulations**"). Lists may be presented only by Shareholders who, individually or jointly, hold shares amounting to at least 1% of shares with voting entitlement at the Ordinary Shareholders' Meeting, pursuant to Consob Executive Determination No. 76 of January 31, 2023.

Each Shareholder may present, or participate in presenting, only one list and vote only for one list, in compliance with the Law and applicable regulations.

Each candidate may appear in one list only, otherwise they will be deemed ineligible.

The lists for the appointment of the Board of Statutory Auditors must be filed at the Company headquarters **by April 8, 2023** (i.e. 25 days prior to the Shareholders' Meeting), in the manner indicated in the notice of meeting.

Each list must be filed with: (i) documents attesting the identity of the Shareholders who

have presented such lists and the overall percentage ownership of share capital held; (ii) a declaration from Shareholders other than those who, jointly or otherwise, possess a controlling or relative majority shareholding, certifying the absence of any relationships of affiliation, provided under article 144-quinquies of Issuers' Regulations, with the latter; in this regard, Shareholders who submit a minority list must comply with Consob's recommendations detailed in Communication no. DEM/9017893 of February 26, 2009 regulating the "Appointment of members of management and control bodies"; (iii) detailed personal and professional information for all candidates indicating all other directorships and auditor positions they may hold in other companies; (iv) a statement by each candidate accepting their nomination and affirming, under their own responsibility, that they meet the requirements established by article 2382 of the Italian Civil Code, that they have not been disqualified from the office of Director in a EU member state pursuant to Article 2383, Paragraph 1 of the Italian Civil Code, and that they meet the requirements under the law and the Articles of Association for them to hold the office of statutory auditor.

Should only one list be filed within the deadline for filing lists, the latter will be extended for three days (until **April 11, 2023**). In this case, the threshold for the submission of lists is reduced by half and is therefore equal to 0.5% of the ordinary share capital.

The lists shall be made available by **April 12, 2023** at the Company's registered office, at Borsa Italiana S.p.A. and on the authorized "eMarket STORAGE" system, as well as on the Company's website (www.saipem.com – Section "*Shareholders' Meeting – Ordinary Shareholders' Meeting 2023*").

Lists are structured in two sections: the first comprises candidates for the office of Statutory Auditor, the second candidates for the office of Alternate Auditor.

At least the first candidate in each section (statutory and alternate auditors) of every list must be a member of the register of auditors and have carried out statutory audit activities

for at least three years.

Art. 27 of the Articles of Association contains specific provisions on the composition of the lists aimed at ensuring compliance with the rules on gender balance on company boards, pursuant to Law No. 160 of December 27, 2019. The lists must be prepared taking into account that at least two fifths of members of the administrative body must be of the least represented gender, rounded down pursuant to art. 144-*undecies*, paragraph 3 of Issuers' Regulations.

Two Statutory Auditors and one Alternate Auditor shall be drawn from the list that receives the majority of votes. The other Statutory Auditor and Alternate Auditor shall be appointed using the procedures set out in art. 19, letter b) of the Articles of Association. Said procedure shall be applied separately to each section of the other lists.

Where the application of the procedure referred to above does not permit compliance with the gender balance rules for Statutory Auditors, the points to attribute to each candidate drawn from the Statutory Auditor sections of the various lists shall be calculated by dividing the number of votes received by each list by the ordinal number of each of these candidates; the candidate of the over-represented gender with the fewest points from among the candidates drawn from all of the lists shall be replaced by a member of the least-represented gender who may be listed (with the next highest ordinal number) in the Statutory Auditors section on the same list as the candidate to be replaced or, subordinately, in the Alternate Auditor section of the same list as the candidate to be replaced (in this case, the latter shall take the position of the alternate candidate that replaces them). If this does not permit compliance with the gender-balance rules, he/she shall be replaced by a person chosen by the Shareholders' Meeting with the majority required by law, so as to ensure that the composition of the Board of Statutory Auditors complies with the law and the Articles of Association. In cases where candidates from

different lists have received the same number of points, the candidate from the list from which has drawn the largest number of Statutory Auditors or, subordinately, the candidate drawn from the list receiving the fewest number of votes, or, in the event of a tied vote, the candidate who receives the fewest votes by the Shareholders' Meeting in a run-off election, shall be replaced.

The Statutory Auditors are appointed for a three-year term under the law, their mandate ending on the date of the Shareholders' Meeting called to approve the financial statements at December 31, 2025.

2. Composition and candidate requirements

Report by the Board of Directors on item 6 of the Meeting Agenda.

6. APPROVAL OF THE NEW 2023-2025 LONG-TERM VARIABLE INCENTIVE PLAN

“Messrs. Shareholders,

The Board of Directors of Saipem S.p.A. resolved to submit for the approval to this Shareholders' Meeting the adoption of the 2023-2025 Long-Term Variable Incentive Plan (the "Plan"), drawn up at the proposal of the Compensation and Nomination Committee.

The plan provides for the free award of Saipem ordinary shares upon the achievement of corporate performance targets. The share-based Plan is an incentive tool designed to maximise shareholder value over the long term, strengthen management participation in business risk, improve company performance, and foster management retention.

The Plan provides for the free award of ordinary shares of Saipem S.p.A., free of charge, after a three-year vesting period in a variable amount depending on the individual allocation and the Plan's degree of the number of shares varying ad personam based on the achievement of performance indicators.

These shares may be outstanding shares, to be bought back pursuant to Article 2357 et seq. of the Italian Civil Code, or treasury shares. The share award is subject to the achievement of specific and predetermined performance conditions to be measured at the end of the three-year vesting period following an accurate process of verification of the actual results.

The Plan provides for three annual awards, from June 2023, applies to the management of Saipem S.p.A. and its subsidiaries, and is to be considered "of particular relevance"

pursuant to Article 84-bis, paragraph 2, of the Issuers' Regulations, as it is applied also to persons listed under Article 114-bis of Legislative Decree 58/98, and in particular: i) the Chief Executive Officer - General Manager of Saipem S.p.A., ii) Senior Managers with Strategic Responsibilities of Saipem S.p.A.

The Plan provides for a three-year vesting period in line with international industry best practices.

To reinforce the concept of value creation and sustainability in the medium-long term of Company's results, the Plan also provides that for all Beneficiaries 25% of shares accrued at the end of the vesting period subject to the achievement of the performance indicators will not be available and shall not be transferred and/or sold for a period of a further two years (24 months) after the vesting period. At the end of this period, for each Share that was made unavailable, Saipem will assign an additional share free of charge. The deferral scheme is intended to further strengthen the alignment of interests of shareholders and management over the medium to long term time and acts as a retention lever.

The performance conditions of the Plan, for the 2023 award, are linked to the following parameters:

- a *market-based* target, the *Total Shareholder Return* (TSR), misured over a three-year period with regard to the relative positioning of the Saipem share vs a reference Peer Group;
- the following *business – based* targets:
 - *Adjusted* cumulative EBITDA over the three-year period;
 - *Adjusted Return on Average Invested Capital* (ROAIC) measured at the end of the three-year performance period, and corresponding to the average result achieved over the years 2023, 2024 and 2025 and ESG (Enviromental, Social, Goverance) targets related to Climate Change (avoided cumulative GHG

emissions over 3 years and offset cumulative GHG emissions over 3 years), Diversity & Inclusion (increasing the number of women by ensuring gender equality in the selection process and increasing the number of women with STEM degrees) and, finally, Business Integrity and People Management (ensuring compliance with the principle of expatriate rotation in certain critical positions and implementing a job rotation program for recent graduates).

For the specific conditions and purposes of the Plan please refer to the Information Document (“Information Document”), drawn up by the Board of Directors in accordance with Article 114-bis of Legislative Decree 58/98 and Article 84-bis of Consob's Issuers' Regulation, made available to the public together with this Report.

**7. AUTHORISATION TO BUY-BACK TREASURY SHARES FOR THE 2023
ALLOCATION OF THE 2023-2025 LONG-TERM VARIABLE INCENTIVE
PLAN**

Messrs Shareholders,

on March 14, 2023, the Board of Directors, at the proposal of the Compensation and Nomination Committee, resolved to propose to the Shareholders' Meeting that the Long-Term Variable Incentive Plan for the three-year period 2023-2025 be implemented for the 2023 allocation, through the purchase of Saipem S.p.A. ordinary shares, subject to a resolution passed by the Ordinary Shareholders' Meeting, pursuant to Article 2357 of the Italian Civil Code and Article 132 of Legislative Decree 58/98, under terms and procedures of (EU) Regulation No. 596/2014 (Market Abuse Regulation - MAR), as supplemented by Delegated Regulation (EU) 2016/1052 of the European Commission of March 8, 2016 and the applicable general and sector regulations, as well as Article 144-bis of the Issuers' Regulation.

1. Reasons for requesting authorization to purchase treasury shares.

The 2023-2025 Long-Term Variable Incentive Plan (the "Plan"), submitted to the approval of the Shareholders' Meeting, applies to the Chief Executive Officer-General Manager and to the persons identified by name by the latter among the Executives and Senior Managers of Saipem S.p.A. and its subsidiaries who occupy the positions most directly responsible for the Company's results or who are of strategic interest, including the Saipem's Executives with Strategic Responsibilities.

The Plan is intended to ensure, in line with international best practices, the following objectives:

- greater alignment between the interests of shareholders in the medium/long-term and the management performance, through the allocation of a share-based incentive whose amount is also subject to the continuous improvement of the Total Shareholder Return also with reference to the relevant Peer Group;
- focus the management on the achievement of medium/long-term business objectives through the sustainability of Saipem's economic and financial performance;
- ensuring greater alignment of the overall remuneration with market practices by creating the conditions for greater management retention.

The Plan provides for the award of Saipem S.p.A. ordinary shares, free of charge, against the achievement of corporate performance targets. The (rolling) Plan provides for three annual awards in the period 2023-2025. Each award is subject to a three-year vesting period and, therefore, the Plan implementation period is between 2023 (the first year of the share award) and 2029 (the last year of the deferral period relating to the last award cycle). This authorisation to purchase treasury shares is therefore intended for the 2023 allocation of the Plan, according to the terms and conditions set forth in the Plan regulations. For further details on the Plan, please refer to the information documents available on the Company's website at www.saipem.com.

2. Maximum number and type of shares.

Authorisation is requested to buy-back for the 2023 award, in one or more tranches, up to a maximum of 37,000,000 ordinary shares of Saipem S.p.A., all without par value, corresponding to approximately 1.85% of the share capital, for a total maximum outlay of € 59,300,000.

Please note that as of today the Company holds no. 415,237 treasury shares, equal to approximately 0.02% of the share capital.

Saipem subsidiaries do not hold any treasury shares.

3. Information required to ascertain compliance with the provisions of art. 2357, paragraph 3, of the Italian Civil Code.

At any time, the maximum number of treasury shares held by Saipem, including ordinary shares held by subsidiary companies, may never exceed the threshold set by current applicable legislation.

The buy-back shall occur by using the distributable profits and available reserves resulting from the latest financial statements.

The Board of Directors reports recorded that the Company's financial statements at December 31, 2022, the draft of which was approved by the Board of Directors on March 14, 2023 and which is submitted to this Shareholders' Meeting for approval, show available reserves of approximately € 1,938,052,558.47.

The buy-back of treasury shares shall result in a corresponding decrease in net equity by posting the amount to a specific negative reserve.

For each buy-back, all necessary accounting allocations shall be made in accordance with the law and applicable accounting principles.

4. Duration of the authorization.

Authorization for the buy-back of treasury shares shall be valid for a maximum period of 18 months from the date of Shareholders' approval; the Board of Directors may decide to buy back ordinary shares of Saipem S.p.A. in one or more tranches at any time, in compliance with the relevant regulations, as gradually as deemed to be in the best interests of the Company.

5. Minimum and maximum buy-back price.

The unitary price of each buy-back shall not exceed, or be less than, the reference price of shares recorded on the trading market on the day prior to the buy-back (plus or minus 5% for the maximum and minimum price respectively) and it shall not exceed the higher price

between the last independent trade and the highest current independent purchase bid on the same trading venue. Transactions must comply with art. 3 of EU Regulation no. 2016/1052, which provides that, in any trading day, the buy-back may not exceed 25% of the average share purchase volume in the trading venue where the transaction is taking place.

6. Methods for the buy-back.

The buy-backs of treasury shares will be carried out on the Euronext Milan stock exchange, as gradually as deemed to be in the best interests of the Company, using the safe harbour provisions pursuant to (EU) Regulation no. 596/2014 (Market Abuse Regulation - MAR) in compliance with the following terms and conditions.

Buy-backs shall be made pursuant to art. 132 of Legislative Decree 58/98 and art. 144-bis, paragraph 1, letter a), b), d-vis) and d-ter) of Issuers' Regulations et seq., so as to ensure parity in the treatment of all Shareholders, on regulated markets organised and managed by Borsa Italiana in accordance with the operating procedures set forth in the management Rules of Regulations of these markets, which do not allow the direct matching of trading purchase proposals with predetermined trading sale proposals. Purchases will in any case be made in accordance with current regulations on trading in treasury shares, currently represented by Article 3 of Delegated Regulation (EU) 2016/1052 of the European Commission, in terms of purchase prices and daily volumes.

The buy-back of treasury shares will also be carried out in compliance with market practices concerning the purchase of treasury shares permitted by Consob pursuant to art. 180, paragraph 1, lett. c), of Legislative Decree 58/98, where applicable, and Consob guidelines.

The buy-back of shares will take place through the granting of a specific mandate to an authorized intermediary, who will carry out the purchases in complete independence and without any influence whatsoever from Saipem S.p.A. in relation to the timing of the purchases or the conditions thereof.

The buy-back of treasury shares is not a means to reduce the share capital.

Please note that as long as treasury shares remain in the ownership of the Company, their voting rights are suspended and they do not enjoy dividends or pre-emption right, which are allocated proportionally to the other shares.
