Saipem: publication of the Firenze FSPO Information Document

San Donato Milanese (Milan), 18 December 2013 – Saipem S.p.A. announces the publication today of the Information Document concerning the agreement entered into with its parent company Eni S.p.A. for the transfer of the business line Firenze FPSO (Floating Production Storage and Offloading) to the company Floaters S.p.A. and the subsequent sale of the entire share capital of Floaters S.p.A. to Eni. The information document has been prepared pursuant to Article 5 of the Consob Regulations containing provisions relating to transactions with related parties adopted by Consob with Resolution no. 17221 of 12 March 2010 and in compliance with the requirements set out in Annex 4 thereof. It has also been prepared pursuant to Article 10 of the “Management System Guideline - Transactions Involving the Interests of Directors and Statutory Auditors and Transactions with Related Parties” adopted by Saipem S.p.A. on November 24, 2010 and modified on March 13, 2012, and in compliance with the requirements set out in Annex 3 thereof.

The Information Document has been made available to the public at the registered offices of Saipem S.p.A. in Via Martiri di Cefalonia, 67 - 20097 San Donato Milanese (MI), and on the Saipem S.p.A. website www.saipem.com

Saipem is organised into two Business Units - Engineering & Construction and Drilling - with a strong bias towards oil & gas-related activities in remote areas and deep-waters. Saipem is a leader in the provision of engineering, procurement, project management and construction services with distinctive capabilities in the design and execution of large-scale offshore and onshore projects, and technological competences such as gas monetisation and heavy oil exploitation.
