Saipem: The first Italian company on LinkedIn for number of followers

The American social network company, which acts as a global reference point for professionals, has presented an award to Saipem for having exceeded 500,000 followers

San Donato Milanese, February, 6, 2018 - Saipem is the first Italian company to surpass the threshold of 500,000 followers on LinkedIn. The award, a trophy emblazoned with the LinkedIn logo, was presented recently to Saipem by the American social network company for professionals.

In a post on the social network, Saipem thanked its followers with a video containing images of employees who show how working for the company, which has offices and yards in a variety of countries around the world, is an interesting, formative and at the same time enjoyable experience.

Saipem is present on LinkedIn because it is a social network that facilitates active interfacing with other professionals. In this way it is possible to establish direct relations which are vital for a company that favours the development and enhancement of people, an integral part of a Saipem's sustainable business model.

Saipem is a world leader in drilling services, as well as in the engineering, procurement, construction and installation of pipelines and complex projects, onshore and offshore, in the oil & gas market. The company has distinctive competences in operations in harsh environments, remote areas and deep water. Saipem provides a full range of services with "EPC" and "EPCI" contracts (on a "turn-key" basis) and has distinctive capabilities and unique assets with a high technological content.
