

Saipem: amendment to the financial calendar 2022

San Donato Milanese (Italy), 11 March 2022 – Saipem S.p.A. informs that, with reference to the updated 2022-2025 strategic plan and the definition of the related financing package and capital structure strengthening, today Eni S.p.A. and CDP Industria S.p.A. informed Saipem that they are completing their preparatory work in view of the meetings of their respective Board of Directors which are expected to be held by March 23, 2022.

Discussions aimed at defining the financing package also continue in a constructive way with the banks.

In order to allow the completion of the deliberative process of Eni S.p.A. and CDP Industria S.p.A., the meeting of the Board of Directors of Saipem, scheduled for March 15, 2022, and called to examine for approval the updated 2022-2025 strategic plan, the related financing package and capital structure strengthening, the consolidated financial statements and the draft statutory financial statements for 2021, is postponed to March 24, 2022.

Consequently, the presentation to the market is now scheduled for March 25, 2022.

Saipem is an advanced technological and engineering platform for the design, construction and operation of safe and sustainable complex infrastructure and plants. Saipem has always been oriented towards technological innovation and is currently committed, alongside its clients, on the frontline of energy transition with increasingly digitalised tools, technologies and processes that were devised from the outset with environmental sustainability in mind. It is listed on the Milan stock exchange and operates in 73 countries around the world with 32 thousand employees from 130 different nationalities.
